Working with the schools would be a great way to reach out to more families. There will be a kid-friendly area on our website for Hoopla and Overdrive. Mr. Cellura suggested getting every student in the district an e-card.
- The Scholastic Book Fair from the Wilcox PTA went very well. They will use the Library meeting rooms for their Spring book fair.
- Kevin Kelly established a contract with Applied Laser Technologies that will support all of our Papercut/Intercard needs. This will be at a lower cost than previously found with other companies. The new copiers should be here by mid-December. Please note the change in vendor from the contracts approved at the October board meeting.
- Mary Peper, Circulation Services Assistant Manager and PSA Supervisor, is retiring after 25 years. Her last day will be January 27, 2022.
- The staff have had several incidents this year of patrons coming in with emotional support animals. As per the ADA, these animals are not considered service animals as they are not trained to perform a specific job or task.
